

**FLYHISPORTS Shorts SIZING CHART**

**TOP SIZING CHART**

The following instructions and chart are to be used as a guide for estimating your shorts size.  
 Note: sizes are approximate and minor variations may occur.

**Step 1**

Lay a comfortable fit pair of shorts on a flat surface and smooth them out without stretching the waist band.

**Step 2**

Measure the flat Width (measurement A) of the shorts by measuring the waist from left to right  
 (double this figure to give you the full waist circumference relaxed = MEASUREMENT A).

**Step 3**

Reference the A measurement to the chart below to find the most likely size match.

**If you doubt - go one size larger!**
